

2017 Darts – Toc “Pre-Qualifier Voucher” Details

Updated: November 3, 2016

Extreme Team Remote Leagues has allotted a number of 2017 TOC Qualifier vouchers to award to sanctioned PPD players who participate in X-T remote leagues*. The 2017 PPD Extreme-Team rank list will indicate these vouchers are available and who is “on track” to earn the vouchers. The 2017 Extreme-Team rank list will look similar to each PPD member’s TOC standings page. X-T Leagues has acquired 64 male and 32 female TOC Qualifier vouchers to be offered through remote league participation in 2016/2017.

* TOC Pre-Qualifier vouchers will be earned by players who compete in PPD Extreme-Team remote leagues on boards owned by a **fully sanctioned PPD member** only and whom meet all regular PPD Qualifier voucher player eligibility requirements (i.e. minimum game counts with local PPD vendor @ 350 prior to July 15, 2017 and whom maintain established minimum skill standards for each gender). These Pre-Qualifier vouchers may be earned by players in addition to Qualifier voucher(s) earned through traditional participation with their local PPD vendor or the Bonus vouchers associated with the BullShooter Tour. See all rules below.

**The 2017 Extreme-Team rank list will indicate a 2017 TOC Pre-Qualifier voucher icon at far right for each of the top 128 men and 64 women who are “on track” to earn a TOC Qualifier voucher within their local PPD vendor’s TOC standings page (shown in dark blue for men and dark pink for women on the X-T rank and TOC standings lists) in order of total points earned to date throughout the year. These Pre-Qualifier vouchers will be awarded to the persons who hold those positions following the annual TOC stats lock down date on July 15. On August 1, 2017 these Pre-Qualifier vouchers will be awarded to the players who earned them via the Extreme-Team rank list points system.

A special “Remote Pre-Qualifier” event to be held on July 29, 2017: Two female Qualifiers (w/32 Players in each) and four Male Qualifiers (w/32 players in each) will be held remotely on the fifth Saturday in July 2017 (July 29, 2017). Registration will open on July 1, 2017 at 10am, CST and run through 1 pm, CST July 28, 2017. The remote Qualifier tournament is restricted to the persons who are current Extreme-Team remote league players and who’ve earned the Remote X-T league affiliated TOC Pre-Qualifier vouchers only (the 128 men and 64 women with X-T affiliated Pre-Qualifier voucher icons). The top 6 finishing players in the Women’s remote Qualifier bracket will advance directly to the \$102,300.00, 2017 TOC Finales on October 18, 2017 for women. And the top 6 men in each of the Men’s remote Qualifiers will advance to the \$154,000.000 2017 TOC Finales on October 18, 2017.
