

2019 BullShooter Tour sanctioning:

All 2018-2019 BullShooter Tour stops are sanctioned by Partners Promoting Darts (PPD) sanctioning program. There are 11 BullShooter Regionals offered across America for 2019 plus the Chicago Finals equaling 12 Tour stops in all.

* To earn a voucher a player must be sanctioned by a PPD vendor and meet all PPD skill requirements through July 15, 2019 when their local PPD vendor will assign 2019 Qualifier vouchers. Players must always remain in good standing with their local PPD vendor.

At each 2019 BullShooter Tour Regional:

Eligible PPD players may compete at each BullShooter Tour Regional stop for special 2019 Darts Tournament of Champions Qualifier vouchers. The highest finishing man competing in the Men's Pro Singles and the highest finishing female in the Women's Singles Combo at each BullShooter Tour Regional stop will earn a Qualifier voucher to compete at the 2019 DARTS – Tournament of Champions.

At the 2019 BullShooter Finals in Chicago: The highest finishing eligible PPD male competing in the AA Men's Pro Singles 501 DI/DO, the AA Men's Pro Singles 501 DI/DO, or the 501 DI/DO. And the highest finishing eligible PPD female in the Women's Combo A/AA Luck of the draw will earn a Qualifier voucher to compete in a Remote Qualifier to earn a place in one of the finales at the 2019 DARTS - TOC. By way of examples, there could be just one sanctioned and eligible* PPD man in the Men's AA Pro Singles 501 DI/DO. If so, he will earn a Qualifier voucher regardless of where he finishes. If there are no sanctioned and eligible* PPD male in the AA Men's Pro Singles 501 DI/DO, then the Qualifier voucher will go to the highest finishing male in the Men's Pro Singles 501 DI/DO.

Tracking/standings for 2019 special BullShooter Tour DARTS - TOC Qualifier vouchers:

Please see the 2019 Standings page then click on BullShooter Tour to see the list of highest finishing BullShooter players along with alternates to replace players who may fail to maintain eligibility through July 15, 2019, the Qualifier voucher issuance date.

Alternates also posted:

An alternate eligible PPD player consisting of the next highest finishing player for each gender is listed on the standings page after each BullShooter Tour stop to indicate the player who may replace the player who was the highest finishing player at a BullShooter Tour Stop, should the original player fail to maintain eligibility as defined above and through July 15, 2019, the voucher issuance date.

Limited to one per player per tour-year:

BullShooter Tour DARTS - TOC Qualifier vouchers are limited to one per player per BullShooter Tour, although nothing in this rule is meant to infer that PPD players are limited to just one Qualifier voucher for the 2019 DARTS - TOC because players may earn multiple Qualifier vouchers through other local league and tournament activity as decided by individual and local PPD vendors.
